

CALIFORNIA ENERGY COMMISSION CAREER EXECUTIVE ASSIGNMENT EXAMINATION ANNOUNCEMENT

California State Government supports equal opportunity to all regardless of race, color, creed, national origin, ancestry, sex, marital status, disability, religious or political affiliation, age, sexual orientation, medical condition or pregnancy. It is an objective of the State of California to achieve a drug-free work place. Any applicant for state employment will be expected to behave in accordance with this objective because the use of illegal drugs is inconsistent with the law of the State, the rules governing Civil Service, and the special trust placed in public servants.

DEPARTMENT:	CALIFORNIA ENERGY COMMISSION	RELEASE DATE:	Monday, August 23, 2010
POSITION TITLE:	Assistant Executive Director--Quality Management	FINAL FILING DATE:	Monday, September 13, 2010
CEA LEVEL:	CEA 1	EXTENDED FINAL FILING DATE:	
SALARY RANGE:	\$ 6,173.00 - \$ 7,838.00 / Month	BULLETIN ID:	06142010_1

POSITION DESCRIPTION

Under the general direction of the Executive Director California Energy Commission, the Assistant Executive Director for Quality Management will advocate quality measures, including recruitment, retention and succession planning, throughout the Commission, ensuring that they are part of management's decision making policies and processes. Incumbent plans, organizes, implements and evaluates management policy, assuring that quality improvement and organizational development opportunities are included in all Commission program activities.

MINIMUM QUALIFICATIONS

Applicants must meet the following minimum qualifications:

Either I

Must be a State civil service employee with permanent civil service status or who previously had permanent status in the State civil service.

Or II

Must be a current or former employee of the Legislature, with two or more consecutive years as defined in Government code § 18990.

Or III

Must be a current or former non-elected exempt employee of the Executive Branch with two or more consecutive years (excluding those positions for which salaries are set by statute) as defined in Government Code § 18992.

Or IV

Must be a person retired from the United States military, honorably discharged from active military duty with a service-connected disability, or honorably discharged from active duty as defined in Government Code § 18991.

KNOWLEDGE AND ABILITIES

Applicants must demonstrate the ability to perform high administrative and policy – influencing functions effectively. Such overall ability requires possession of most of the following more specific knowledge and abilities:

(1) Knowledge of the organization and functions of California State Government including the organization and practices of the Legislature and the Executive Branch; principles, practices, and trends of public administration, organization, and management; techniques of organizing and motivating groups; program development and evaluation; methods of administrative problem solving; principles and practices of policy formulation and development; and personnel management techniques; the department's or agency's Equal Employment Opportunity Program objectives; and a manager's role in the Equal Employment Opportunity Program.

(2) Ability to plan, organize, and direct the work of multidisciplinary professional and administrative staff; analyze administrative policies, organization, procedures and practices; integrate the activities of a diverse program to attain common goals; gain the confidence and support of top level administrators and advise them on a wide range of administrative matters; develop cooperative working relationships with representatives of all levels of government, the public, and the Legislature and Executive branches; analyze complex problems and recommend effective courses of action; and prepare and review reports; and effectively contribute to the department's or agency's Equal Employment Opportunity objectives.

These knowledge and abilities are expected to be obtained from the following kinds of experience with substantial participation in the formulation, operation and/or evaluation of program policies (experience may have been paid or volunteer; in State service, other government settings, or in a private organization):

CEA Level 1. Supervisory/administrative experience in a line or staff activity, including the execution and/or evaluation of program policies.

CEA Levels 2 and 3. Broad administrative or program manager experience with substantial participation in the formulation, operation, and/or evaluation of program policies.

CEA Levels 4 and 5. Extensive managerial and program administrative experience which has included substantial responsibility for a combination of management functions such as program planning; policy formulation; organization coordination and control; and fiscal and personnel management. Where high technical professional qualifications are of primary importance in performing the duties of a given CEA position, then the above required experience may have been in a staff capacity exercising professional skills to influence and contribute to program, policy, and methods of providing those professional services. Primary examples are medical doctors and attorneys.

EXAMINATION INFORMATION

A minimum rating of 70% must be attained to obtain list eligibility. Hiring interviews may be

conducted with the most qualified candidates. All candidates will receive written notification of their examination results. The result of this examination will be used only to fill the position of **Assistant Executive Director--Quality Management**, with the **CALIFORNIA ENERGY COMMISSION**. Applications will be retained for twelve months.

The results of this examination will be used only to fill this position.

The examination process will consist of an application and Statement of Qualifications. Applicants will be screened based on the minimum and desirable qualifications, and the Statement of Qualifications. Interviews may be conducted with the most qualified applicants only. Qualified applicants will be ranked competitively and notified of their results.

DESIRABLE QUALIFICATION(S) 1. Ability to plan, implement, support and monitor quality initiatives, project teams, work group activities and task forces associated with quality development and implementation. 2. Extensive knowledge in the area of recruitment, retention, and succession planning. 3. Extensive knowledge of quality and continuous improvement applications to help bring together the thinking and information from program reviews, measurement of services and products, customer satisfaction, and other feedback which will help update and refine the department's mission, vision and values. 4. Ability to help in the development of Commissionwide program production, service quality measurements and will help coordinate activities to maximize the use of technical, financial and human resources through quality management disciplines. 5. Ability to work with inter- and intradepartmental staff, including all levels of management involving the development and implementation of quality management processes. 6. Basic understanding of energy, California's energy policy and the California Energy Commission's mission, role and responsibilities. 7. Demonstrated ability to work cooperatively with representatives from other state and federal agencies, outside constituency groups and the Governor's office. 8. Strong written and verbal communication skills.

FILING INSTRUCTIONS

Interested applicants must submit:

- A completed Standard State Application (Form 678).
- A "Statement of Qualifications". The Statement is a narrative discussion of how the candidate's education, training, experience, and skills meet the minimum and desirable qualifications and qualify them for the position. The Statement of Qualifications serves as a documentation of each candidate's ability to present information clearly and concisely in writing and should be typed and no more than two pages in length.
- Resumes do not take the place of the Statement of Qualifications.

Applications must be submitted by the final filing date to:

CALIFORNIA ENERGY COMMISSION, Selection, Training and EEO Office
1516 Ninth Street, MS-52, Sacramento, CA 95814
Maxine Roberts | 916 651-9865 | mroberts@energy.state.ca.us

SPECIAL TESTING

If you have a disability and need special testing arrangements, mark the appropriate box in Part 2 of the "Examination Application." You will be contacted to make specific arrangements.

GENERAL INFORMATION

If you meet the requirements stated in this bulletin, you may take this examination, which is competitive. Possession of the entrance requirements does not assure a place on the eligible list. Your performance in the examination described on this bulletin will be compared with the performance of others who take this test, and all candidates who pass will be ranked according to their scores.

The CALIFORNIA ENERGY COMMISSION reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

General Qualifications: Candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, and ability to work cooperatively with others.
